Papa Francesco

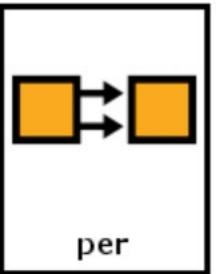

ha scritto

questa

preghiera

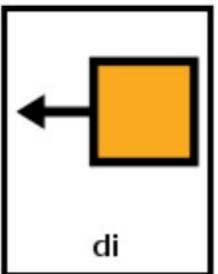

per

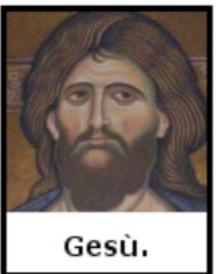

Maria,

mamma

di

Gesù.

Con

questa

preghiera,

il Papa

chiede

alla

Madonna

del Divino Amore

di

proteggere

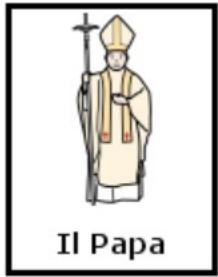

tutto

il mondo

dalla

epidemia

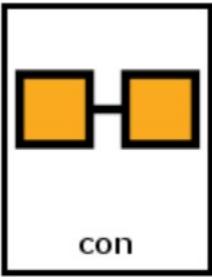

Coronavirus.

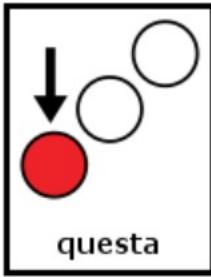

Il Papa

ha inviato un video

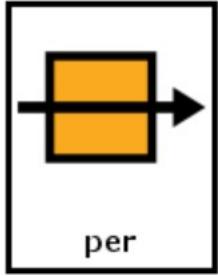

con

questa

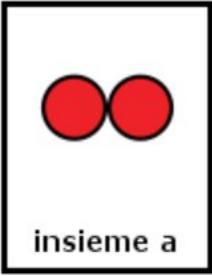

preghiera

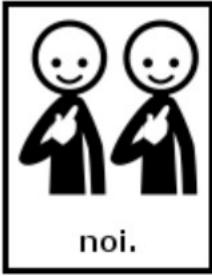

per

pregare

insieme a

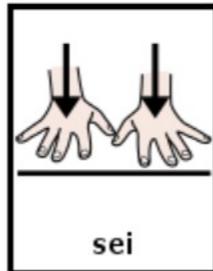

noi.

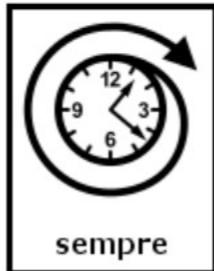

O Maria,

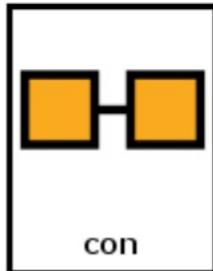

tu

sei

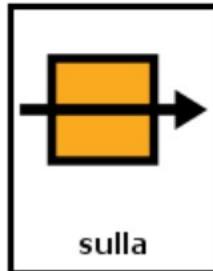

sempre

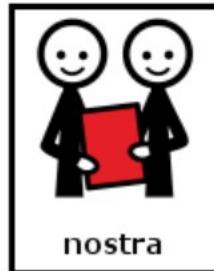

con

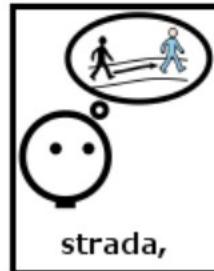

noi

sulla

nostra

strada,

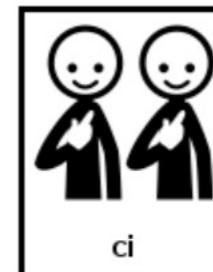

ci

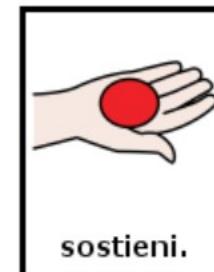

aiuti

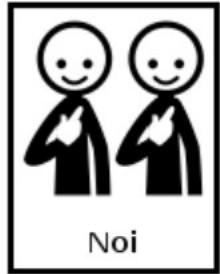

e

ci

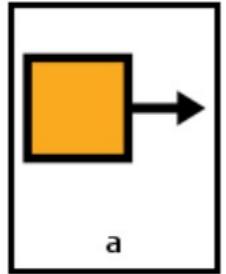

sostieni.

Noi

ci affidiamo

a

te.

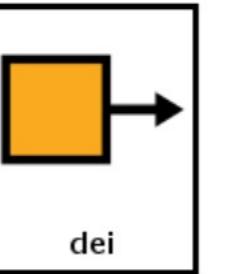

Tu,

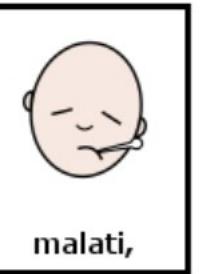

Maria,

salute

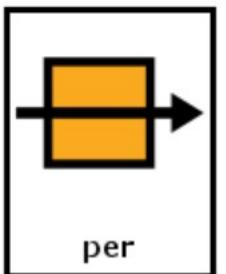

dei

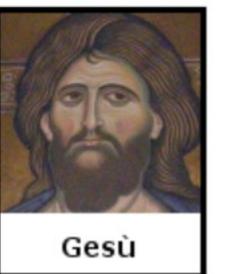

malati,

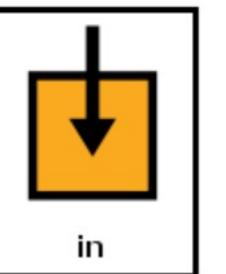

hai sofferto

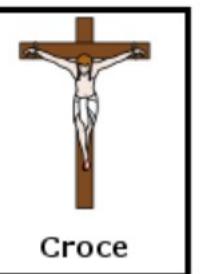

per

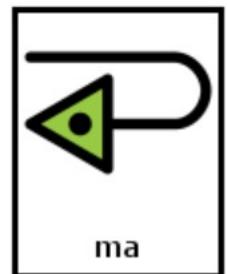

Gesù

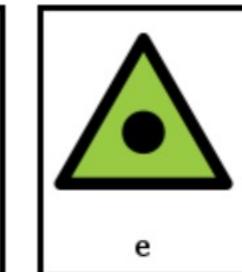

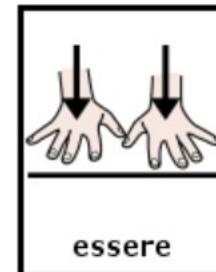

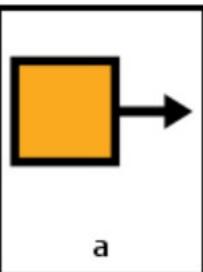

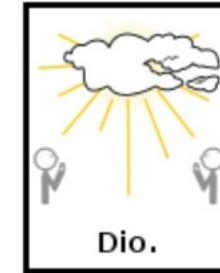

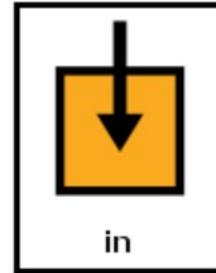

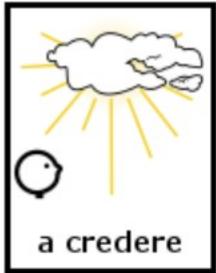

in

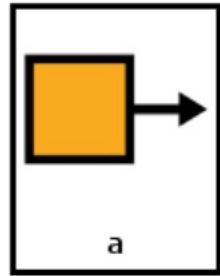

Croce

ma

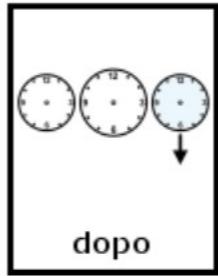

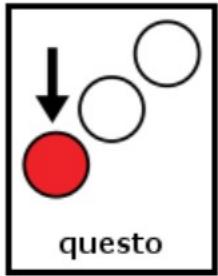

a

fare festa,

dopo

questo

triste

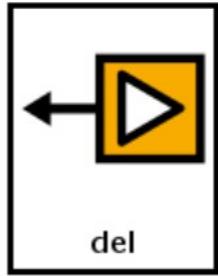

momento.

Aiutaci,

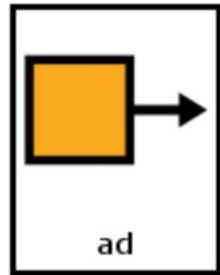

Madonna

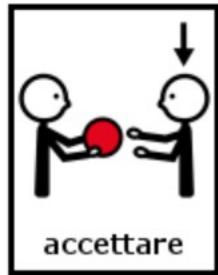

del

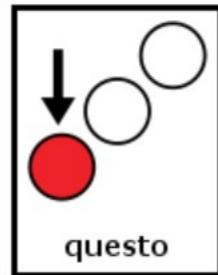

Divino Amore,

ad

accettare

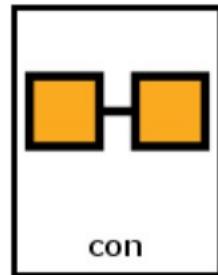

questo

triste

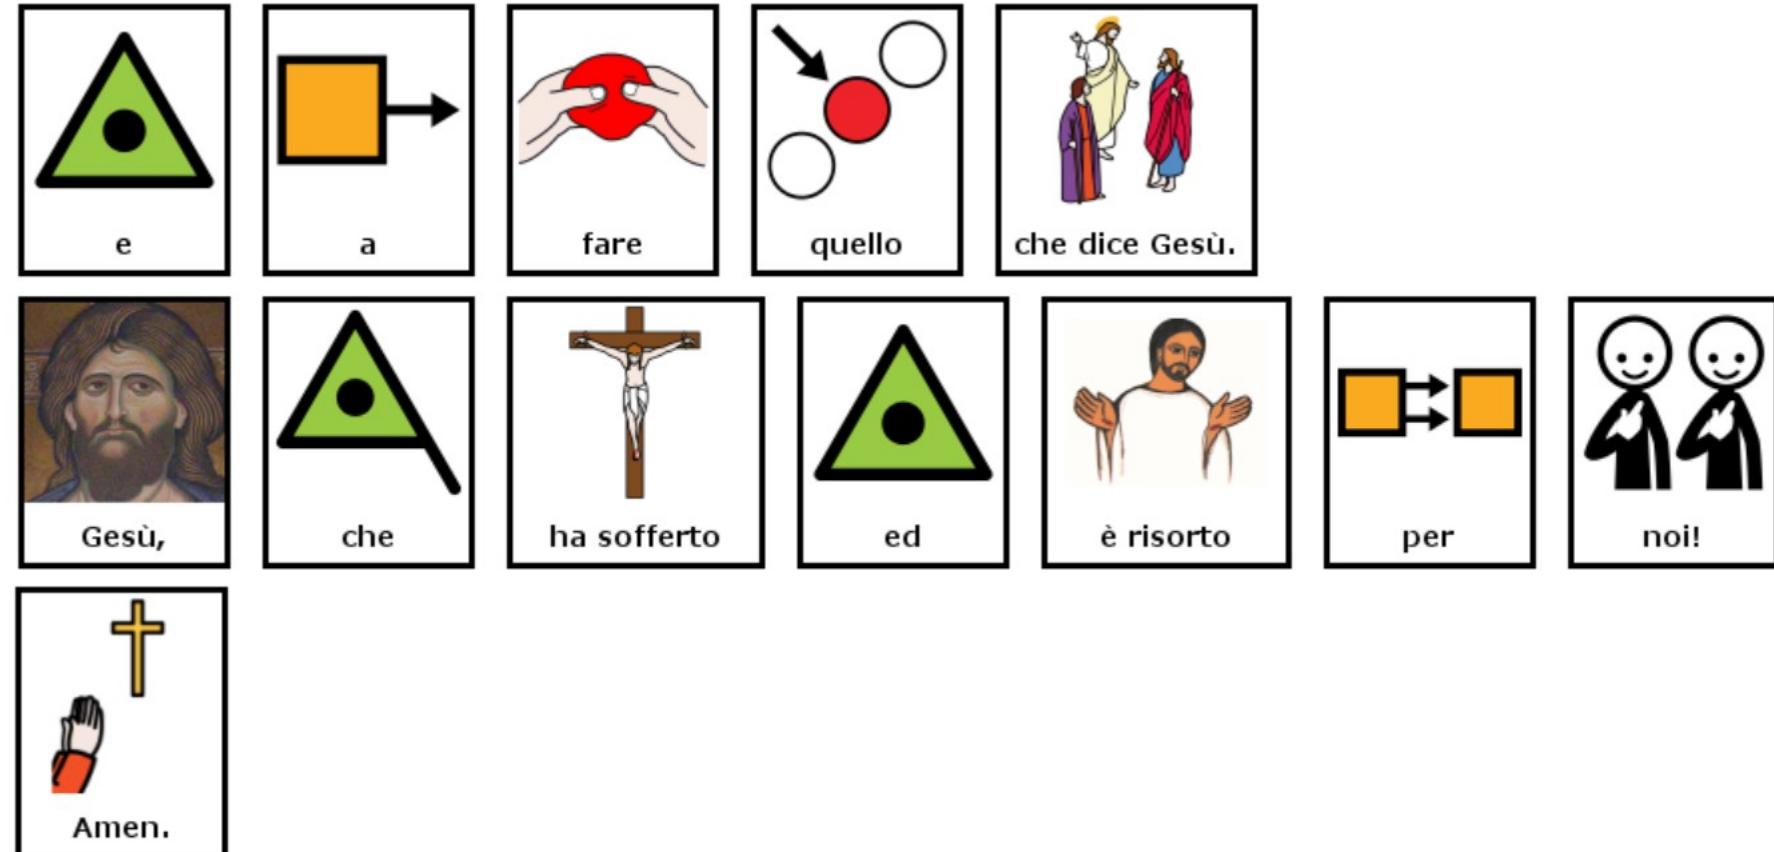

momento

con

speranza

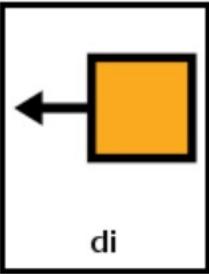

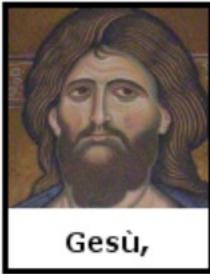

Maria,

madre

di

Gesù,

ascoltaci,

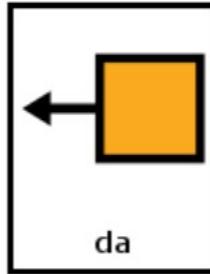

proteggici

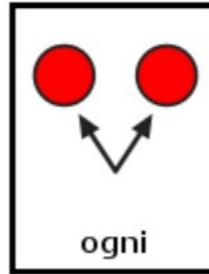

e

liberaci

da

ogni

pericolo.
